Diagram 90 is a cross-sectional view of a circular device. It features a central core 96 and an outer shell 98. The core 96 contains two labels, C_i and C_o . Two rectangular components 110 are positioned on the core 96, with labels I_b and I_o below them. A wavy line 102 points to the outer shell 98, and a wavy line 104 points to the outer boundary. Other labels include 100, 140, 150, and 154.
